Another Indie Favorite

The Impossible Fortress: A Novel, by Jason Rekulak (Simon & Schuster, \$15.99) "You don't have to remember the 1980s to deeply get this sweet memory trip back to the decade when video games, personal computers, and mixtapes were new. But if you did come of age in the 1980s, look out. All those awkward boy/girl moments, all those songs that comprised the soundtracks of your make-out sessions and your break-ups, all the wonder of your first encounters with MS-DOS buried deep in a far corner of your memory... Jason Rekulak will bring it all back to you." —Carol Spurling, **BookPeople of Moscow, Moscow, ID**
