Other Indie Favorites

The Chalk Man: A Novel, by C.J. Tudor (Crown, \$27) "The Chalk Man by C.J. Tudor is an unusually gripping mystery reminiscent of Arthur Conan Doyle's story 'The Adventure of the Dancing Men.' It is amazingly well-written, and the pace does not let up, from the shocking beginning all the way through to the unsettling ending. This suspenseful page-turner is definitely a cut above and will keep you riveted. Highly recommended!" —**Margo Conklin, Brown University Bookstore, Providence, RI**

This Could Hurt: A Novel by Jillian Medoff (Harper, \$26.99) "Who knew that a novel about a faltering company's HR department could be so gripping and compassionate? Anyone who has worked in a company with other people will appreciate the resentments, friendships, and competitions that develop in a long-time team. Medoff does a great job of making the reader care about each and every character." —**Susan Taylor, Book House of Stuyvesant Plaza, Albany NY**
