Another Indie Favorite

Neon in Daylight: A Novel, by Hermione Hoby (Catapult, \$16.95)

"There are plenty of novels about hedonistic young people, washed-up alcoholic writers, or aimless academics struggling to find themselves. Few of them are written with the intelligence, freshness, honesty, style, observational eye, and command of language on display in Hermione Hoby's impressive debut, *Neon in Daylight*. As the lives of the three main characters (and a cat named Joni Mitchell) converge against the backdrop of a lonely, doomed, and dying downtown New York City, you'll find yourself missing your bus stop because you cannot put down this book." —Nadine Vassallo, Book Soup, West Hollywood, CA
