## Another Indie Favorite

**This Will Be My Undoing: Living at the Intersection of Black, Female, and Feminist in (White) America, by Morgan Jerkins (Harper Perennial, \$15.99)** "This book ravaged and then healed my weary soul. A micro and macro look at the exhaustion and triumph of black womanhood, Jerkins' essays are poignant enough on their own. When linked together in her book, the pieces become the subtle knife cutting through the membrane of gender and racial disparity that covers our country. Jerkins uses herself not simply as a reference point, but as a dissection, laid on the table and explained." —**Hannah Oliver Depp, WORD, Brooklyn, NY**
