 Indies Introduce

For Ages 9 to 12

You Go First, by Erin Entrada Kelly (Greenwillow Books, \$16.99) "Told in alternate chapters, *You Go First* is the story of Charlotte Lock and Ben Boxer, who are united by their love of online Scrabble. Their friendship is a point of stability during a period of upheaval for both kids. Kelly nails the heartbreaking isolation of growing up, the pain of bullying, and the complicated nature of familial and platonic relationships. *You Go First* gives voice to the vulnerability of growing up and offers a hopeful ending for middle grade readers of all ages." —Sarah Sawyers-Lovett, Big Blue Marble Bookstore, Philadelphia, PA

For Teen Readers

The Astonishing Color of After, by Emily X.R. Pan (Little, Brown Books for Young Readers, \$18.99) "From the first pages of *The Astonishing Color of After*, you know that you're reading something special. It's a strange and beautiful story of a Chinese-American girl whose mother's ghost appears to her in the form of a fantastical red bird. Chasing family secrets, she travels to Taipei to meet the grandparents she's never seen, while trying to forget about the boy she left at home. It's lovely, real, and unforgettable." —Christie Olson Day, Gallery Bookshop and Bookwinkle's Children's Books, Mendocino, CA
