## For Ages 9 to 12

**Like Vanessa**, by Tami Charles (Charlesbridge, \$16.99) "All I can say is thank goodness the '80s are back in fashion, because this gem of a book is best read sitting in front of a TV tray in a recliner. Inspired by Vanessa Williams' 1983 Miss America win, a headstrong and pushy teacher, and a supportive and scheming grandfather, Vanessa Martin braves the small-town pageant circuit, the potential disappointment of her father, and the challenge of being dark skinned. Vanessa touches the dreamer spirit in all of us, and I cheered her on right through to the end." —Kim Bissell, Broadway Books, Portland, OR

## For Teen Readers

**Tempests and Slaughter (The Numair Chronicles, Book One)**, by Tamora Pierce (Random House Books for Young Readers, \$18.99) "Tempests and Slaughter tells the story of Arram Draper, a young boy with the potential to become one of the world's most powerful mages. With the support of his three friends—a 'leftover' prince, a clever girl, and an extremely sassy bird—Arram faces the challenges and adventures of student life at one of the most well-renowned universities for young mages. This fun and magical world Pierce has created was such a pleasure to experience!" —Colleen Regan, An Unlikely Story, Plainville, MA
