Another Indie Favorite

What We Lose: A Novel, by Zinzi Clemmons (Penguin Books, \$16) "What We Lose is a quietly brilliant book detailing the way loss manifests itself in the life of its narrator, Thandi, and the reader, as Clemmons' writing shines back on you, too. The death of Thandi's mother brings about the loss of childhood innocence, her connection with her past, and her identity as a black woman. Clemmons' book is told in vignettes, stories and thoughts, with the narrative of this time in Thandi's life slowly swirling through it. It's as powerful a meditation on grief as I've ever read." —**Stefanie Schmidt, Water Street Bookstore, Exeter, NH**
