### Another Indie Favorite

**The Dark Net: A Novel, by Benjamin Percy (Mariner Books, \$14.99)** "In *The Dark Net*, Benjamin Percy's best work yet, the author takes the poorly understood underbelly of the Internet and brings it to terrifying life in Portland, Oregon, in a tale complete with hipsters and homeless people, supernatural beings, hardcore geeks, a journalist, and a blind 12-year-old girl. As a former resident of Portland and a technologist, I was particularly impressed with Percy's nuanced portrayal of downtown Portland and its landmarks, including Powell's Books. Percy does a masterful job of making the Internet scary in a thriller that feels like a combination of *American Gods* and the Stephen King books I tore through as a teenager. Highly recommended." —**Nathan White, Content Bookstore, Northfield, MN**
