Other Indie Favorites

Dear Mrs. Bird: A Novel, by AJ Pearce (Scribner, \$26) "What initially seems like a breezy career girl story quickly turns into a gripping novel set in the WWII London blitzkrieg. During the nightly bombing runs, Emmeline volunteers at a nearby fire dispatch center. She dreams of becoming a journalist, but instead lands a day job screening advice-seeking letters for a weekly magazine, *Women's Friends*. All too soon, she and her friends become victims of the bombings and must deal with losses and new horrors each night. In *Dear Mrs. Bird*, AJ Pearce has given us a most memorable story about both the visible and hidden casualties of war. Recommended for all, including book clubs!" —**Nancy Simpson-Brice, Book Vault, Oskaloosa, IA**

America for Beginners: A Novel, by Leah Franqui (William Morrow, \$26.99) "A poignant story that confronts cultural, racial, and gender stereotypes through three people who end up on a trip across the U.S. The story revolves around a Bengali widow of means whose gay son was disowned; a young Bangladeshi man who has a job as a tour agent; and a young, white American woman who aspires to be an actress. These three are united in the journey initiated by the widow to tour the U.S., but really to find her son and confront his lover. Courage to face the unknown—whether it is a foreign country or questioning a previously held conviction—shapes the story and shows that we all have the potential to grow and change." —**Susan Bush, Island Bound Bookstore, Block Island, RI**

Another Indie Favorite

I Didn't Talk, by Beatriz Bracher, Adam Morris (Trans.) (New Directions, \$15.95) "Above all, *I Didn't Talk* is about memory and guilt, and the narrator's endless struggle against them. Long celebrated in Brazil, Beatriz Bracher's first work to be translated to English will leave you astonished and just wanting more." —Adlai Yeomans, White Whale Bookstore, Pittsburgh, PA

For Ages 9 to 12

The Mortification of Fovea Munson, by Mary Winn Heider, Chi Birmingham (Illus.) (Disney-Hyperion, \$16.99) "Imagine being a seventh-grader whose parents own and work in a cadaver lab. Imagine having to give up summer camp plans to work in this body part lab that you consider extremely gross. As if that was not bad enough, imagine having disembodied thawing heads begin to talk to you! Throw in a tiger kidnapping, weird recording sessions, a random mugger, and an order for 600 legs, and you have the makings for a never-to-be-forgotten summer." —**Pat Trotter, Bookends on Main, Menomonie, WI**

For Teen Readers

Monday's Not Coming: A Novel, by Tiffany D. Jackson (Katherine Tegen Books, \$17.99) "Monday's Not Coming is a heartbreaking story of a missing teenager, a community that seems not to notice, and a best friend who will go to whatever lengths it takes to find her missing friend. Tiffany D. Jackson weaves together multiple timelines, increasing the tension and emotion until you reach an ending that will haunt you long after you finish the book. This is a difficult but important and timely story. Highly recommended for teen and adult readers." —**Beth Seuffer Buss, Bookmarks, Winston-Salem, NC**

For Ages 4 to 8

Something Smells!, by Blake Liliane Hellman, Steven Henry (illus.) (Atheneum/Caitlyn Dlouhy Books, \$17.99)

"Something Smells certainly does not stink! After young Elliot awakens to a powerful odor wafting through the house, he searches for its source. It isn't his pets, a skunk, or even Dad. Whimsical illustrations reveal a loving family highlighted by the very appealing (and clueless) Elliot. This funny tale with its oh-so-gentle message is a joy to read aloud. Listeners will giggle knowingly. Don't miss this!" —**Christopher Rose, The Spirit of '76 Bookstore, Marblehead, MA**
