Another Indie Favorite

Home Fire: A Novel, by Kamila Shamsie (Riverhead Books, \$16) "One finishes reading Kamila Shamsie's extraordinary *Home Fire* completely stunned. She has written a brilliant story about two families who share geography and become linked by fate—one that has known exile, death, and family mystery, and another that has adapted to the so-called mainstream. Family, religion, the politics of media, various forms of seduction, and present-day devices all bring themselves to bear in utterly telling form. The U.S., London, Karachi, Syria, and Istanbul all figure into this book, which is of this time and age and beyond. One of the finest writers at work in English today, Kamila Shamsie has written her most heartbreaking, beautiful, necessary book yet." —Rick Simonson, The Elliott Bay Book Company, Seattle, WA
