Another Indie Favorite
A Hundred Small Lessons: A Novel, by Ashley Hay (Washington Square Press, \$16) "This is a beautifully written, important, quiet gem of a novel that takes hold of you and wends its way into your psyche. It tells the story of two families who live in the same house at different times in Brisbane, plumbing the relationships between mothers and children, husbands and wives. Marriage and motherhood are explored in-depth within the context of the story's rich character development. *A Hundred Small Lessons* is a welcome addition to the genre of thoughtful novels with much wisdom to offer the reader. I highly recommend this novel, whose life lessons will continue to live with me for years to come." —**Sarajane Giddings, Blue Door Books, Cedarhurst, NY**
