Another Indie Favorite

This Could Hurt: A Novel, by Jillian Medoff (Harper, \$16.99) "Who knew that a novel about a faltering company's HR department could be so gripping and compassionate? Anyone who has worked in a company with other people will appreciate the resentments, friendships, and competitions that develop in a long-time team. Medoff does a great job of making the reader care about each and every character." —Susan Taylor, Book House of Stuyvesant Plaza, Albany NY
