For Ages 9 to 12

Knights vs. Dinosaurs, by Matt Phelan (Greenwillow Books, \$16.99) "In *Knights vs. Dinosaurs*, Matt Phelan has created a roaring romp of a good time, bringing together the knights of King Arthur's Round Table and DINOSAURS! Though it may at first glance seem a book for boys, a plot twist will have girls loving it, too! With knights, dinosaurs, a wizard, and some great battles wonderfully illustrated by Phelan, this exciting tale demonstrates the value of being true to yourself while being part of a team." —**Jim Hess, Let's Play Books!, Emmaus, PA**

Indies Introduce

For Teen Readers

The Light Between Worlds, by Laura E. Weymouth (HarperTeen, \$17.99) "This is a captivating tale of two sisters struggling to find home and to find themselves. Evelyn longs for the days when she and her sister and brother lived in the Woodlands, a mystical Narnia-like land. Evelyn has carried the weight of her longing since she and her siblings returned to post-WWII England. When Evelyn goes missing, Phillipa carries the loss of her sister, as well as the pain of her own choices. They embark on journeys of healing and belonging, each searching for what they've lost and where they belong. Written with meaning, feeling, and depth, *The Light Between Worlds* is a stunning debut." —**Hannah Wilson, Out West Books, Grand Junction, CO**
