Another Indie Favorite
Green: A Novel, by Sam Graham-Felsen (Random House Trade Paperbacks, \$17) "Please read *Green*. You will fall in love with Graham-Felsen's David from his first utterances on page one of this original, thought-provoking twist on an important subject—race relations. Thank God David has such a great voice and there are so many humorous moments, or else I may have felt extremely sad about his experiences of being such an outsider. A truly memorable moment-in-time novel and a great read." —Sue Roegge, Chapter2Books, Hudson, WI
