**Another Indie Favorite**  
**Fire Sermon: A Novel, by Jamie Quatro (Grove Press, \$16)** "I'm presently gobsmacked by and head-over-heels in love with Jamie Quatro's *Fire Sermon*, a gorgeous, searing first novel that takes on themes of grace, God, desire, truth, and family. Told in an array of tenses and forms that range from poetry to e-mail (and everything in between), *Fire Sermon* takes great risks stylistically, as well as topically, leaving nothing stable in its wake. It is unsparing and uncompromising, singular, innervating, and strong, and it is a deeply, wonderfully stirring work of art." —Will Walton, Avid Bookshop, Athens, GA
