For Teen Readers

Pulp, by Robin Talley (Harlequin Teen, \$18.99) "Following two queer teen girls through defining moments in their lives, *Pulp* navigates parallel stories connected by the characters' encounters with lesbian pulp novels of the 1950s. Robin Talley deftly shifts between the two stories, showing the challenges both girls face, from breakups and fighting parents to fear of being outed and facing the consequences of the Lavender Scare. *Pulp* is many things: a coming-of-age novel, a story of fighting for social change, and a reminder that finding yourself in the pages of a book can make you feel like you're not alone in the world." —Lelia Nebeker, One More Page Books, Arlington, VA
