Dani Shapiro, Knopf, \$24.95

Other Indie Favorites

Ghost Wall: A Novel, by Sarah Moss (Farrar, Straus and Giroux, \$22) "Sarah Moss writes with a lyricism and an intelligence unlike any other author, and in *Ghost Wall* she deftly weaves threads of history, power, gender, and obsession into a stunning story that envelops you from the very first page. Lovely and haunting, *Ghost Wall* is both a powerful glimpse at how humanity interprets its history and a chilling reminder that the lines between past, present, and future are not always as clear as they seem." —**Rebecca Speas, One More Page Books, Arlington, VA**

Looker: A Novel, by Laura Sims (Scribner, \$25) "Wow, wow, wow! Anyone who has ever appreciated an unreliable narrator will be transfixed by this story of obsession and creeping madness. In the wake of infertility and a looming divorce, our unnamed protagonist becomes more and more preoccupied by the seemingly perfect actress who lives down the block. You'll read *Looker* in one sitting and want to pass it on to everyone you know—this is a stunner and a fantastic debut." —**Emilie Sommer, East City Bookshop, Washington, DC**

Another Indie Favorite

Eternal Life: A Novel, by Dara Horn (W.W. Norton & Company, \$15.95) "Eternal Life is a stunningly moving and lively investigation of mortality. It is also a story of profound love—young love, eternal love, and the love of parents for their children. Rachel, whose inability to die animates the plot, is a strong, willful, and complex woman. Dara Horn, whom I have long admired, infuses the book with her profound knowledge of Judaism, without ever becoming dull or didactic. This is an ode to the joys, sorrows, and brevity of existence as seen through the improbable lens of eternal life—and it made me cry! Highly recommended." —Lilla Weinberger, Readers' Books, Sonoma, CA

For Ages 9 to 12

Ballet Shoes, by Noel Streatfeild (Random House Books for Young Readers, \$16.99) "While the only cover I will love is the beloved copy I still own 40 years after my grandmother gave it to me, this timeless novel—the best of Noel Streatfeild's famed 'shoe' stories—deserves a new hardcover edition. Pauline, Petrova, and Posy Fossil, along with Gum, Sylvia, and Nana, are wonderful old friends I revisit every year. A jewel of a story that every child should have." —**Kathleen Carey, Book House of Stuyvesant Plaza, Albany, NY**

For Teen Readers

Kingdom of the Blazing Phoenix, by Julie C. Dao (Philomel Books, \$18.99) "I LOVED the way folk tales were interwoven with the narrative in this worthy companion to *Forest of a Thousand Lanterns*. So much of this book is beautifully relevant to our world today. Lovely." —**Rebecca Wells, Porter Square Books, Cambridge, MA**

For Ages 4 to 8

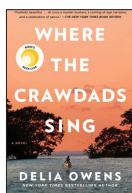

Planting Stories: The Life of Librarian and Storyteller Pura Belpré, by Anika Aldamuy Denise, Paola Escobar (Illus.) (HarperCollins, \$17.99) "Pura Belpré led a rich life filled with travel, music, and countless stories. Readers will be inspired by this gentle, determined woman who knew it was vital to share the folklore that had been such a big part of her childhood in Puerto Rico. For years, she read enthusiastically to countless children, spoke passionately to crowds of librarians, and retold treasured cultural tales in books. The influence of her work is still felt today." —**Christopher Rose, The Spirit of '76 Bookstore, Marblehead, MA**
