Another Indie Favorite
Three Daughters of Eve: A Novel, by Elif Shafak (Bloomsbury Publishing, \$18) "Peri is a rich and glamorous woman living a comfortable life. While suffering through a tedious dinner party with the international elite, she ponders her days as a student at Oxford, when her life was profoundly impacted by two friends and a charismatic professor. As a young, unformed student, Peri felt lost in her search for faith and self. Looking back on these years from the perspective of adulthood, Peri must confront her past before it collides with the present. Compelling, poignant, and highly relevant, *Three Daughters of Eve* is a modern exploration of identity in a changing world." —**Pamela Klinger-Horn, Excelsior Bay Books, Excelsior, MN**
