Fox and the Box, by Yvonne Ivinson (Greenwillow Books, \$17.99) "This is a delightful story told in very few words. What a perfect book for early readers to enjoy independently! With amazing artistry, the author introduces an adorable fox who decides to set sail in a box. The illustrations allow readers to use their imagination to follow the fox's adventures and fill in the details. I found myself falling in love with the fox and his little mouse friend, and I'm ready to share this gem with a young one just as soon as I can."
—Pat Donmoyer, White Rabbit Children's Books and Gifts, Leonardtown, MD
