Another Indie Favorite
The Wedding Party: A Novel, by Jasmine Guillory (Berkley, \$15) "Maddie hates Theo's snooty attitude. Theo hates Maddie's snide comments. Alexa is their best friend, and they're both in her wedding party. Neither knows how they're going to deal with each other's presence in the months to come, but as things might, their resentment turns to lust, and possibly something more. There's one main rule: Alexa must never find out about their secret trysts. Playful, sexy, and sweet, *The Wedding Party* is another romantic bullseye hit from Guillory." —**Andrew King, University Book Store, Seattle, WA**
