Another Indie Favorite

Undercover Bromance, by Lyssa Kay Adams

“Steamy, spicy, and tender, if this book were a gourmet meal it would be worth a thousand bucks for sure. Lyssa Kay Adams has outdone herself; her sophomore novel in the Bromance Book Club collection is even better than her debut. Liv is a firecracker; taking nothing from nobody. Mack is a big softie with a heart of gold. When they team up to take down a famous and powerful chef with a history of abusing women, there is nothing these two won’t risk—including their hearts. Please read this lovely romance; you will not regret it and it will make you a better person.” —Sam Butler, Bright Side Bookshop, Flagstaff, AZ
