**Another Indie Favorite**

*Cat Person and Other Stories,* by Kristen Roupenian (Gallery/Scout Press, $16) “I was completely enthralled with Kristen Roupenian’s ‘Cat Person’ story in the *New Yorker* and couldn’t wait to pick up her collection. Like ‘Cat Person,’ each story pushes boundaries, holding a magnifying glass up to social norms and what our society accepts. The writing is fantastic, and the cadence of each story is strikingly unique. This book will delight fans of Roupenian’s viral story and will start many more conversations in its wake.” —Courtney Flynn, Trident Booksellers & Café, Boston, MA
