For Ages 4 to 8

**Tad, by Benji Davies (HarperCollins, $17.99)**

“Growing up, my brother and I would always go looking for frog eggs in ponds during the spring and summer, then watch them evolve into tadpoles and frogs. Benji Davies illustrates this life cycle while telling a thrilling tale about Tad, a tadpole who is just a little smaller than all the others and might need to escape a giant fish—or else. The bold illustrations will draw kids in!” —Nikki Silvestrini, Zenith Bookstore, Duluth, MN
