The Time of Green Magic, by Hilary McKay (Margaret K. McElderry Books, $17.99) "Hilary McKay is a funny, heart-grabbing, rollicking master of middle-grade family stories. If you love books like The Penderwicks or The Vanderbeekers of 141st Street, The Time of Green Magic is your next favorite. In this story, McKay blends the complications of a big, new blended family, a wondrous house, and magic that may be a little more dangerous than anyone expects at first." —Alex Schaffner, Brookline Booksmith, Brookline, MA

For Teen Readers

We Are Not From Here, by Jenny Torres Sanchez (Philomel Books, $18.99) "This tale will grab you, get under your fingernails, and not let go, so vivid is the story of these three friends on a harrowing journey to save themselves. This story is ripped from the headlines and extraordinary in its depiction of kids running from their country’s violence, deportation, and hopelessness. The sometimes-unspeakable events are also tempered with the hope and humanity of kind people along the way. Traveling from Honduras to the promised land of the U.S., your eyes will be opened and your heart will plead for our nation to see these children and treat them with compassion.” —Maureen Palacios, Once Upon a Time, Montrose, CA
