For Ages 9 to 12

Premeditated Myrtle, by Elizabeth C. Bunce (Algonquin Young Readers, \$17.95) "Myrtle can give Sherlock Holmes a run for his money! This audacious and bright young detective will stop at nothing to discover what happened to her neighbor. She's wicked sharp, but that will only take her so far. Luckily, she's assisted by the invincible Miss Judson, governess and mentor. I flew through this exciting mystery." —**Miriam Meeks, E. Shaver, Bookseller, Savannah, GA**

For Teen Readers

The Silvered Serpents, by Roshani Chokshi (Wednesday Books, \$18.99) "Roshani Chokshi is back with her amazing characters and gorgeous writing that make it so hard for me to put her books down. *The Silvered Serpents* is a perfect follow up to *The Gilded Wolves*. Picking up a few months from where we left off, we join the characters as they're all grieving the death of a friend. We explore each character more fully while they work together to solve the mystery of *The Divine Lyrics*. But everyone has secrets, and those secrets are creating cracks and fissures within the group. I loved every aching, heartbreaking moment of this book and can't wait for the finale. Chokshi is at the top of her game with this sequel!" —**Mary Ruthless, Foggy Pine Books, Boone, NC**
