**The Talented Miss Farwell: A Novel**
Emily Gray Tedrowe (Custom House, $26.99) “The small town of Pierson, Illinois, is fortunate to have the bright, hard-working Becky Farwell as town treasurer. She really understands the town’s financial management, yet she is also a skilled artist. In another world, people wonder what the story is behind the glamorous, high-flying art collector Reba Farwell, who has no visible means of support. Does it matter, as long as she has an unflinching discerning eye and gives great parties? Watch and wonder as the talented Miss Farwell keeps all the plates spinning in this totally absorbing study of obsession and deception.” —Ellen Sandmeyer, Sandmeyer’s Bookstore, Chicago, IL

**Confessions on the 7:45: A Novel**
Lisa Unger (Park Row, $27.99) “Lisa Unger is amazing! If you have not found her books yet, now is the time. Each one gets better and better. She is particularly good at female dynamics and relationships, as well as writing a twisted thriller that pretty much could be happening to someone you know. Confessions on the 7:45 may be my favorite one yet!” —Laura Taylor, The Oxford Exchange, Tampa, FL
