#### Another Indie Favorite

*When Time Stopped: A Memoir of My Father’s War and What Remains*, by Ariana Neumann (Scribner, $18)  
“This book is beautiful, intimate, breathtaking, and heartbreaking. It reads like a novel and yet gives a better sense of what was happening to Jewish families during the Holocaust than any history book I’ve read. I feel so invested in the Neumann family and their friends, as if I know them personally. More than anything, my takeaway from this book is the love and hope that was so clearly poured into it.” —*Gabrielle Belisle, An Unlikely Story, Plainville, MA*
