Another Indie Favorite
Vita Nostra: A Novel, by Sergey and Marina Dyachenko (Harper Voyager, $17.99) “One part coming-of-age parable and one part psychological horror, this book combines dark fantasy with contemporary magical realism, and I can’t stop thinking about the resulting magnificence weeks after finishing it. Beautifully translated from its original Russian, Vita Nostra brilliantly explores the period in early adulthood where we consider the price we’re willing to pay to discover our full potential, and how we make ourselves vulnerable when we strive for outside approval.” —Ilana Darrant, Bookshop Santa Cruz, Santa Cruz, CA
