Woven throughout with magical creatures, witches, and unicorns. The mission that Thorn and Brier embark on will keep you on the edge of your seat with surprises that would pique any reader's interest." —**Judith Lafitte, Octavia Books, New Orleans, LA**

### For Teen Readers

**The Project, by Courtney Summers (Wednesday Books, \$18.99)** "Courtney Summers is back with another electric gut-punch of a novel, and I couldn't be more thrilled to have found myself a quivering mass of emotion after turning the last page of *The Project*. Only Summers can perfectly encapsulate the dueling states of fragility and ferocity that exist within young women when they find themselves alone in a world that isn't designed to protect them from harm. I dare you to pick up this brilliant novel about two sisters and a mysterious cult—you won't be able to put it down!" —**Cristina Russell, Books & Books, Coral Gables, FL**
