Other Indie Favorites

Songs in Ursa Major: A Novel by Emma Brodie (Knopf, \$26.95)

"Songs in Ursa Major is the perfect summer book recommendation. It should be read with music right out of Laurel Canyon playing in the background."

—Linda McLoughlin Figel, pages: a bookstore, Manhattan Beach, CA

The Forest of Vanishing Stars: A Novel by Kristin Harmel (Gallery Books, \$28)

"A little girl is kidnapped from her parents and raised in the wilderness. As a young woman, she uses her skills to help Jewish refugees survive in the forests of Poland. From the first page, I didn't want to put the book down." —Jill Gregory, A Likely Story, Sykesville, MD
