Other Indie Favorites

Appleseed: A Novel, by Matt Bell (Custom House, \$27.99) "This cross between a Shakespeare drama and a Grimm fairy tale is unsettling, attention-grabbing, and thought-provoking in the way stories do so well when reason often fails. A powerful read!" —**Helen Eddy, The Book Shoppe, Boone, IA**

The Startup Wife: A Novel, by Tahmima Anam (Scribner, \$26) "The concept of an app that offers custom-made rituals got me to pick up this new novel, but the fact that the protagonist is a woman of color leading a tech start up alongside her very charismatic husband got me to read it. A great summer read." —**Amber Taylor, One More Page Books, Arlington, VA**
