For Ages 8 to 12

*Playing the Cards You’re Dealt,* by Varian Johnson (Scholastic Press, $16.99) “Definitely lives up to The Parker Inheritance. Nicely rounded characters facing believable issues in a supportive, but not always perfect, community setting. This fills a good need—early middle grade books with smart boys learning how to be great men.” —Rosie Lee-Parks, Readers’ Books, Sonoma, CA

For Teen Readers

*Black Birds in the Sky: The Story and Legacy of the 1921 Tulsa Race Massacre,* by Brandy Colbert (Balzer + Bray, $19.99) “A captivating book that not only teaches readers about the Tulsa Race Massacre but also looks at the bigger picture of what the United States is. Filled with history centered around different racial communities, the book does justice to those who did not learn certain history lessons in traditional educational institutions.” —Melissa Silvester, Boogie Down Books, Bronx, NY
