For Ages 4 to 8

*If You Find a Leaf,* by Aimée Sicuro (Random House Studio, $17.99) “I adore this picture book that captures the possibilities of a child’s imagination. The potential for a leaf as a play thing is an all-day affair in this book. I can’t wait to read it to children and see what other possibilities they see!” —Jen Wills Geraedts, Beagle and Wolf Books & Bindery, Park Rapids, MN
