#### Other Indie Favorites

**The Writing Retreat: A Novel, by Julia Bartz (Atria/Emily Bestler Books, \$27)** "This story takes 'never meet your heroes' to a whole new level. I loved the use of tension in the book, and how the author played with supernatural elements while still keeping the story grounded in reality. Twisty, dark, and even fun!" —Ann Branson, Beach Books, Seaside, OR

**Scorched Grace: A Sister Holiday Mystery, by Margot Douaihy (Gillian Flynn Books, \$27.95)** "After 33 years of bookselling, I can say I have not read a novel as original and shocking as *Scorched Grace*. She's a (punk) nun like none other (bad pun, but true) resolved to solve a murder to protect her new community and her own choices." —Barbara Peters, The Poisoned Pen Bookstore, Scottsdale, AZ
