Other Indie Favorites

The Memory of Animals: A Novel, by Claire Fuller (Tin House Books, \$27.95) "Claire Fuller never fails to deliver — *The Memory of Animals* is dark and hopeful all at once, with a hint of her trademark subversive humor added for good measure." —Pam Cady, University Book Store, Seattle, WA

Maeve Fly, by CJ Leede (Tor Nightfire, \$26.99) "Such a wonderful, bizarre read. Maeve loves hard, asserts her place in the world, and takes on the spirit of Old Hollywood to wow at Halloween parties. It's a funky, gory, sexy thrill; I was disturbed, shattered, and totally in love." —Pax Romana, Books Are Magic, Brooklyn, NY
