The Vanishing Act
A Novel, by Mette Jakobsen
(W.W. Norton, 9780393062922, $23.95)

“Minou is a 12-year-old girl who lives on a tiny, snow-covered island with her philosopher father, Boxman the magician, a dog called No-Name, and Priest. When a dead boy washes up on the island, Minou makes a connection between the boy’s arrival and her mother’s disappearance a year earlier. Using philosophy along with the power of her imagination, Minou tries to uncover the truth behind her mother’s absence. What she discovers is haunting and unforgettable. The Vanishing Act is a charming, fable-like story, beautifully told, and filled with magic!”
