The Son
A Novel, by Philipp Meyer
(Ecco, 9780062120397, $27.99)
“Epic yet intimate, Meyer’s The Son is the best kind of historical fiction. Vivid characters and great storytelling bring to life a distant time and place, while the themes and issues explored are completely relevant to our time. The interwoven perspectives of the three generations of the McCullough family create a counterpoint as each comments on the others, their mores, and their expectations and how these change over time. This is what great literature should be: a page-turner with a serious moral purpose.”
—Scott Kinberger, Books Inc., San Francisco, CA
