Hyperbole and a Half
Unfortunate Situations, Flawed Coping Mechanisms, Mayhem, and Other Things That Happened, by Allie Brosh
(Touchstone, 9781451666675, paper, $17.99) 
“Brosh has been an Internet sensation for years with literally thousands of fans following her scribbled illustrations on her blog. She has won over readers and stalkers alike with her honest and stark humor and her fun stories and rants. This book takes readers into not just the fun and fuzzy world of candied cakes and dumb dogs, but also into the brutally honest self-evaluation and exploration of its unique author. Always balancing the serious with the silly, the dark with the ridiculous, Brosh says the things we wish we could, admits the things we're ashamed of, and explores what we're afraid of, always with color and humor and, ultimately, with hope. And don’t forget the scribbles!” —Jocelyn Shatter, Bookshop Santa Cruz, Santa Cruz, CA
