The Free
A Novel, by Willy Vlautin
(Harper Perennial, 9780062276742, paper, $14.99)

“There may not be another writer whose new work I look more forward to than Willy Vlautin. With just three novels under his belt, he’s managed to create a collection of work that reflects the reality of the down-and-out working class in modern America. In his best book yet, the plights of three main characters intertwine as each struggles to overcome hardship and create a better life despite the odds being stacked against them. In a story full of heartbreak yet somehow ultimately uplifting, Vlautin once again demonstrates the power and beauty to be found in our own humanity.”
