Circling the Sun
A Novel, by Paula McLain
(Ballantine Books, 9780345534187, $28)

“Reading Circling the Sun reminded me of the deep pleasure of solid storytelling: the vast landscape of colonial Kenya, complicated and compelling historical characters, love, suffering, and adventure combine to create a captivating narrative. McLain imagines the African childhood and early adulthood of real-life horse trainer and pioneering female aviator, Beryl Markham, as well as her social milieu which included Denys Finch Hatton and Karen Blixen, who, as Isak Dinesen, wrote Out of Africa. Markham lived a fascinating and uncompromising life filled with danger, ill-fated romance, and stunning bravery, and McLain does justice to her memory with this sensitive and beautifully written portrayal.”
