The Light of the World
A Memoir, by Elizabeth Alexander
(Grand Central Publishing, 9781455599875, $26)
“It is hard to find the right words to do justice to this very special book. Yes, it is by one of our greatest contemporary poets, Elizabeth Alexander, who wrote ‘Praise Song for the Day’ for President Obama’s first inauguration, so the language is gorgeous. And yes, it is a memoir of losing her husband at a young age and so it is, in parts, gut-wrenchingly sad. And yes, it is an ode to an extraordinary man we come to feel we know as an artist, chef, father, friend, and lover. But, above all, it is as beautiful a love story as I have ever read, and it lifts readers up and gives us hope and makes us believe. I will urge it on everyone I know.”
—Carole Horne, Harvard Book Store, Cambridge, MA
