The Swans of Fifth Avenue: A Novel
By Melanie Benjamin
(Delacorte Press, 9780345528698, $28)

“Are you interested in the lifestyles of the rich and famous? Arrange your hair and makeup, darlings, and get ready to dish about the dirty little secrets in 1950s high society. Truman Capote collected ‘swans’—rich and glamorous women who floated through life pampered and indulged. This fictionalized account of the meteoric rise and very public fall of Capote, entwined with his deep friendship with Babe Paley and his ultimate betrayal of her and the rest of the swans, will slake your thirst for gossipy, breezy, scandalous details. Take off your wrap, pour a highball, and enjoy!”

**Nickel and Dimed:** On (Not) Getting By in America
By Barbara Ehrenreich
(Picador, 9780312626686, $16)
Originally published in hardcover in 2001
“Ehrenreich goes undercover, joining millions of Americans working at minimum wage jobs to see if it is as easy as some contend. She experiences firsthand the below-subsistence, dehumanizing conditions of much hourly wage work, but she also finds the remarkable humanity of the people who make daily life possible for the rest of us.”
—Kris Kleindienst, Left Bank Books, Saint Louis, MO

**The Fire Next Time**
By James Baldwin
(Vintage, 9780679744726, $13)
Originally published in hardcover in 1963
“Baldwin’s *The Fire Next Time* is one of the most powerful and eloquent statements of the human condition in the American literary tradition. Baldwin’s fierce love of the potential of the American ideals and his equally fierce critique of what prevents us from realizing those ideals is as important today as when it was first published in 1963.”
—Paul Yamazaki, City Lights Bookstore, San Francisco, CA

**A Fine Balance**
By Rohinton Mistry
(Vintage, 9780375710694, $17)
Originally published in hardcover in 1996
“For a book published 20 years ago, *A Fine Balance* is amazingly current in its themes of political unrest, curtailed civil liberties, violence, and economic disparity. The bonds that can form among disparate souls in such circumstances are rendered with truth and clarity. Mistry sets his novel in Bombay, India, between 1975 and 1984, during the upheaval of The Emergency and Indira Gandhi’s regime. The book has been compared to the work of Charles Dickens for its cast of characters and complexity. *A Fine Balance* won the Giller Prize and was shortlisted for the Booker Prize.”
