This Month’s #1

The Women in the Castle: A Novel
By Jessica Shattuck
(William Morrow, 9780062563968, $26.99)
“Three war widows and their children help each other survive at the end of World War II in this engaging novel filled with rich period details. Their husbands died as members of the resistance, but aside from that common thread, Marianne, Benita, and Ania bring very different backgrounds to their makeshift home in the castle’s kitchen. They also face repercussions from past choices and current secrets. Jessica Shattuck brings us into their world and shows us that the rules for love and loyalty are different in wartime.”
