History of Wolves: A Novel
By Emily Fridlund
(Atlantic Monthly Press, 9780802125873, $26)
“A lonely teenager in rural northern Minnesota, Linda is desperate for connection and obsessed with both her enigmatic new neighbors and a classmate entangled in a scandalous relationship with a teacher. Narrating these seemingly disparate story threads is the adult Linda, who may have been villain, victim, or bystander in at least one tragedy. With lyrical prose and precise pacing, debut author Fridlund builds tension and weaves a complex, multilayered morality tale rich in metaphor and symbolism. This haunting, meticulously crafted novel will inspire lengthy rumination on topics ranging from the meaning of the title to the power of belief. Perfect for reading groups!”
—Sharon Flesher, Brilliant Books, Traverse City, MI
