I Miss You When I Blink: Essays
By Mary Laura Philpott
(Atria Books, 9781982102807, $26)

“Mary Laura Philpott writes about today’s American woman in her marvelously frank and witty book of essays, I Miss You When I Blink. Women of all ages will nod their heads when reading about the decision to have babies (or not), the pitfalls of volunteering, the difficulty of getting a cat out from under the bed, the reward of crossing things off the list, the challenge of finding time for relaxation, and, above all, the acceleration of time as we age. Philpott shares pivotal moments from her life in such a relatable way that, through both laughter and tears, readers will exclaim, ‘Yes, yes, this is ME!’ Don’t miss this gem!”
