**The Indie NEXT List**

**THIS MONTH’S #1**

**The Glass Hotel: A Novel**
By Emily St. John Mandel
(Knopf, 9780525525243, $26.95)

“In this ghostly story of ignoring what’s right in front of you, a group of characters try to grapple with what seems like inevitable choices. Mandel’s book is like the glass in the title: her language glitters while offering clarity and reflection, and her characters are like broken shards, mesmerizing in one light and dangerously ordinary in another. Combining the humanity and structure of *Station Eleven* with the brutal realism of her earlier works, *The Glass Hotel* is an exceptional novel.”

—Marika McCoola, Porter Square Books, Cambridge, MA
