

most importantly love
like it's the only thing you know how
at the end of the day all this
means nothing
this page
where you're sitting
your degree
your job
the money
nothing even matters
except love and human connection
who you loved
and how deeply you loved them
how you touched the people around you
and how much you gave them

- rupi kaur

A handwritten signature in black ink, reading "Rupi Kaur". The signature is written in a cursive, flowing style. The first name "Rupi" is written with a large, sweeping initial 'R'. The last name "Kaur" is written with a large, sweeping initial 'K'. There is a small dash between the first and last names. The signature is set against a light gray background.
